This is our 4<sup>th</sup> event, and we hope for it to be the best one yet. The best part about this event is it is 100% free to attend. With dozens of sponsors, Motors in the Morning will continue to offer the fun, fast cars and fellowship for the whole family. On March 30 from 10am-3pm, come out and participate in the cruise in and enjoy the bounce house for the kids, a silent auction, a corn hole tournament, 50/50 raffle, music, and some of the most beautiful vehicles to travel both the ground and air anywhere. We look forward to seeing you at the event as we attempt to continue to raise funds for Cheraw High School's Braves in Business program. This program has helped multiple seniors obtain employment since 2017 through character building lessons and work skill training at the high school. We can't wait to see you at Cheraw Municipal Airport for Motors in the Morning on March 30 from 10am-3pm.

**HURRICANE FLORENCE LONG TERM RECOVERY GROUP:** In response to the devastating effects of Hurricane Florence, a Long Term Recovery Group was formed to assist with recovery in Chesterfield County communities. The goal of the group is to help with individual needs that cannot be met by FEMA, other government aid and private insurance. Working as an independent committee of the CCCC, leadership, by-laws, goals and committees were voted on and the Chesterfield County Long Term Recovery (CCLTR) group was formed. Now volunteers are needed! By volunteering your time to help out a neighbor or neighboring community, we can begin to tackle the 3 M's; Manpower, Money and Materials.
