THANK YOU NOTES: On behalf of our entire family, I wish to thank each of you for your prayers and your kind remembrances during my mother's death. Your prayers were felt and much appreciated. My mother had a very long and difficult health journey, but she always felt welcome when visiting with us at FUMC. Thank you for your friendship and expressions of love and sympathy. Jimmie Williamson

The UMW would like to thank everyone who baked for the Jazz Festival Fall Bake Sale and worked it! We could not have done it without you! We made \$870. Thank you.

Thank you to everyone for all the prayers, cards, and food that we received during the passing of David Lee Rohde, Sr. It has meant a lot to know we were in your prayers at this difficult time. Thank you again! David, Michelle, and Jacob Rohde.

A SERVICE OF CHRISTIAN WORSHIP

***Welcome to all who are worshiping with us. As we enter a holy space and time this morning, please silence all electronic devices. ***

The Chimes of the Trinity and Organ Voluntary are times during which we quiet ourselves, centering our hearts and minds in preparation for worship. Please use these times for prayer and meditation within this sacred space.

Litany in Praise of Women (responsively)

Mary Charlotte Dusa

L: God, the world has given us all sorts of roadmaps to worth and value...

P: Make money...look nice...have a big house...marry the love of your life...have lots of children...

L: We’ve got centuries worth of pressure telling us how to behave...

P: How to prove to the world that we are worthy to exist.

L: We’ve got cannons-worth of writings telling us what to do...

P: And how to justify “taking up space.”

L: And then...we’ve got Christ, who is saying something entirely different...

P: You are beloved...you are made in God’s image...you are created intentionally...you are worthy...

L: Blessed is she who knows her inherent worth and her in-born Imago Dei.

P: Blessed is she who functions in the world from a place of confidence in her own belovedness and dignity.

L: Blessed is she who rides the unconventional wind of the Spirit to whatever life it takes her.

P: Blessed is she who is strong within herself and whose compassion extends to all.

L: Blessed is she who doesn’t listen to anyone who tells her that she has to earn or prove her worth.

P: Blessed is she who changes the world simply by her unfettered existence in it.

L: Many a scripture has been used to subdue her...many a society has marginalized her...many a church has silenced her...

P: But we are listening now...to our Lord of love...and we will walk new paths of peace, dignity, and empowerment.

ALL: Amen.
